

Please have the details below available when submitting a Clinical Concept through the portal.

Field Location	Field Name
General Information	Study Title
	Short Title
	Therapeutic Area to be Studied
	Indication to be Studied
	Product being used
	Type of Support being requested
	Is this study considered on Label?
	Number of Sites
	Is This a Multi-Site Study
	Number of Countries
	Institution Type
	Institution Name
	Address Line 1 (No PO Box)
	Country
	City
State/Province	
Postal Code	
Concept	Timeline - Contract Execution to FPI (in months)
	Timeline - Length of Study (in months)
	Timeline - Study End to FSR (in months)
	Sample Size
	Trial Design/Model
	Study Phase
	Overview/Hypothesis/methodology
	Background/Rationale
Scientific Summary	Primary Objectives
	Secondary Objectives
	Primary Endpoints
	Secondary Endpoints
	Inclusion Criteria
	Exclusion Criteria
	Population
	Sample Size / Statistical Power
	Treatment Plan
	References
Requested Support	Product being requested
	Formulation -Dosage
	Quantity of Active Drug
	Quantity of Placebo
Planned Publication	Journal / Congress

	Publication Type
	Anticipated Date
	Journal / Congress

Please have the details below available when submitting a Non-Clinical Concept through the portal.
